

BLASTSTUDIO

STANDARD BUSINESS CARD (HORIZONTAL) TEMPLATE

2 in. X 3.5 in.

To Get Started:

1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet Bleed requirements

Safe Zone:

All text information must be kept inside the blue box.

Trim Line:

The document will be cut at the black line.

Bleed:

Extend all background images and colors that meet the edge of the document to the red "Bleed" line (.125 in. bleed).
