# **BLAST**STUDIO

## STANDARD BUSINESS CARD (HORIZONTAL) TEMPLATE

2 in. X 3.5 ir

## To Get Started:

1. Hide "Guides" Layer in Layers Panel 2. Place information into Design Layer

 Extend background information to meet Bleed requirements

### Safe Zone:

All text information must be kept inside the blue box.

### Trim Line:

The document will be cut at the black line.

#### Bleed:

Extend all background images and colors that meet the edge of the document to the red "Bleed" line (125 in, bleed).
