# BLASTSTUDIO

**STANDARD BUSINESS CARD (VERTICAL) TEMPLATE**
2 in. X 3.5 in.

**To Get Started:**
1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet
Bleed requirements

**Safe Zone:**
All text information must be kept inside the blue box.

**Trim Line:**
The document will be cut at the black line.

**Bleed:**
Extend all background images and colors that meet the edge
of the document to the red "Bleed" line (.125 in. bleed).
