

# **BLAST**STUDIO

## **3 IN. X 4 IN. (HORIZONTAL) TEMPLATE**

### **To Get Started:**

1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet Bleed requirements

### **Safe Zone:**

All text information must be kept inside the blue box.

### **Trim Line:**

The document will be cut at the black line.

### **Bleed:**

Extend all background images and colors that meet the edge of the document to the red "Bleed" line (.125 in. bleed).
