

BLASTSTUDIO

4 IN. CIRCLE STICKER TEMPLATE

4 in. Diameter

To Get Started:

1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet Bleed requirements

Safe Zone:

All text information must be kept inside the blue box.

Trim Line:

The document will be cut at the black line.

Bleed:

Extend all background images and colors that meet the edge of the document to the red "Bleed" line (.125 in. bleed).
