BLAST STUDIO

6 IN. X 18 IN. HALF-FOLD BROCHURE TEMPLATE

To Get Started:
1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet Bleed requirements

Safe Zone:
All text information must be kept inside the blue box.

Trim Line:
The document will be cut at the black line.

Bleed:
Extend all background images and colors that meet the edge of the document to the red "Bleed" line (.125 in. bleed).

Fold Line:
The panels of the brochure will be folded here.
