

BLASTSTUDIO

8.5 IN. X 11 IN. TRI-FOLD BROCHURE TEMPLATE

To Get Started:

1. Hide "Guides" Layer in Layers Panel
2. Place information into Design Layer
3. Extend background information to meet Bleed requirements

Safe Zone:

All text information must be kept inside the blue box.

Trim Line:

The document will be cut at the black line.

Bleed:

Extend all background images and colors that meet the edge of the document to the red "Bleed" line (.125 in. bleed).

Fold Line:

The panels of the brochure will be folded here.
